

Write a *Love & Care Postcard* to Rep. Gerry Connolly

April 28, 2025

Hi Postcard Writers,

We are deeply saddened to learn that Rep. Gerry Connolly's cancer has returned and he will not seek reelection in 2026. **As a member of our postcard community, we invite you to join us in writing love and care postcards to one of the postcard community's greatest advocates.**

In this morning's announcement, Connolly wrote:

"After grueling treatments, we've learned that the cancer, while initially beaten back, has now returned...I'll do everything possible to continue to represent you and thank you for your grace."

Connolly (CD11-Fairfax, VA) has been a champion for postcard writers, a strong supporter of grassroots women activists, and a great Congressman.

He is always the first one to step up to support the annual Women's Summit and is a favorite guest on the Friday Power Lunch video podcast.

We will never forget when he came on the podcast two days after the January 6th insurrection and gave a riveting account of what happened in the House Chamber, [click here to watch the video](#).

We can think of no better way to wish him well than to shower him with postcards.

Send the cards to:

Representative Gerry Connolly
10680 Main St #140
Fairfax, VA 22030

Thank you for joining us in bringing a smile to his face.
