

NEW POSTCARD CAMPAIGN

Primary Postcards to Women Voters for Women Candidates

We are launching our second postcard campaign of 2025: Primary Postcards to Women Voters for Women Candidates.

This campaign is part of our partnership with the [National Women's Political Caucus of Virginia](#) (NWPC-VA) and sends primary postcards to NWPC-VA endorsed House of Delegate candidates.

Primary elections are all about turnout. Our postcards can make all the difference for these candidates.

Information about the candidates is below.

We are focusing our message on Early Voting information. Each postcard will include a label with early voting dates and location.

You can use your own postcards for this campaign.

Early voting starts in Virginia on May 2 and the primary is on June 17. Because mail delivery estimates are erratic right now, we are mailing our cards early to make sure they arrive on time. **We want you to mail the postcards as you write them and finish no later than June 3.**

Let's help these women win their primaries!

Robbin, Finale & Michelle
